

VOL. IX. NO. 84.

SANTA ANA, CALIFORNIA, MONDAY EVENING, MARCH 9, 1914.

50 CENTS PER MONTH

UNEMPLOYED WORRYING CAPITAL

Sacramento Seeks to Ship Men Back to 'Frisco—Hand-to-Hand Encounters

LEADERS ARRESTED ON VAGRANCY WARRANTS

1700 Men Create a Furore—Gov. Johnson Refuses Use of 500 Militia in City

SACRAMENTO, March 9.—Five hundred National Guardsmen arrived here and went into camp at daybreak today. Companies from Chico, Oroville, Stockton and Sacramento were on duty. The marchers were peaceful but the officials feared trouble when the hour arrived to send the men aboard the trains that were to return them to San Francisco, a step which was decided on last night. The two factions of the "army" were reunited yesterday with General Kelley in command. A demand for food was made.

The reunited "army of unemployed" now numbering about 1700 are being shipped back to San Francisco in a special train at the expense of Sacramento citizens. A fund of \$2500 was raised for this purpose.

VAGRANCY WARRANTS TOOK LEADERS OF ARMY TO JAIL

After a consultation of city, county and state authorities, twenty warrants charging vagrancy were issued for the leaders of the unemployed, and police officers went to the stockade to serve them. The plan was to rob the army of its leaders, then hustle it from town. Meanwhile two hundred armed police and deputies surrounded the stockade where the men were confined, and the men serving the warrants entered the stockade. Several of the leaders tried to persuade the army to resist. Despite the army's clamor, the officers then arrested Kelly, Thorne and other leaders and took them to jail.

Many of the army declared they would refuse to be railroaded out of town, and scaled the stockade and escaped the guarding officers. The authorities then reconvened to decide upon the disposition of the men still at the stockade. A telegram from Governor Oddie of Nevada said Nevada will resist with all the state's resources any attempt to send the army of unemployed there.

Armed men were placed around the stockade after a conference of Chief of Police Ahern, Commissioner of Public Safety Bliss and District Attorney Wachorst. In addition to guns each carried a riot stick. When the men had been posted the citizens' committee visited the leaders and served notice that they would have to go. The men were informed they would be furnished transportation back to San Francisco. The committee announced there would be no more food or clothing here. The declaration was greeted by jeers. When the officers with warrants entered the stockade, "Roughneck" Teesdale, one of the leaders, tried to marshal the men, shouting encouragement to "stick." Thorne mounted a wagon and shouted: "Let the damned officers fire; we don't care." This was the signal for a general scramble among the crowd, and spectators outside the stockade, who rushed to adjoining houses, hid behind poles and other shelter. Detectives Ryan and Thorpe followed by a hundred officers walked to the leader's tent and arrested Kelly. Other John Doe warrants were served. The army failed to offer resistance. The leaders were then marched away. The district attorney's office then notified the governor's office what was happening. It was then announced that the next move would be to clear the stockade, moving the men to the river and loading them on barges for San Francisco.

The men repeatedly returned to the stockade, after two minor brushes with officers, who ordered them to disperse. Several heads were cracked. The fire department was finally called out and turned streams of water into the mob, which at first resisted. Police officers used their clubs and fought hand to hand with the men, who finally fled, leaving several on the ground, but none seriously injured. The retreating men hurled bricks through the street car windows. Many fled from the town. At noon District Attorney Wachorst asked that the militia encamped here be used. The governor refused the request.

Thorne's faction was easily dispersed, the majority fleeing over the Yolo bridge into Yolo county. Many returned, however, and joined the Kellyites in efforts to get back to the stockade.

SAN FRANCISCO DOES NOT WANT UNEMPLOYED

SAN FRANCISCO, March 9.—Chief of Police White refused to take seri-

Stanford Marks 24th Birthday— Alumni Present

STANFORD UNIVERSITY, Mar. 9.—Stanford University celebrated the twenty-fourth anniversary of its foundation today with hundreds of the Alumni present. Judge W. W. Morrow delivered the anniversary address. There were ceremonies at the mausoleum where members of the Stanford family are buried. The last half of the day was given over to athletic sports. Tonight the faculty and undergraduates will banquet.

Bulletins of News

Hot from the wire up to 3:30 p. m.

3,500,000 Chinese Eggs Arrive for U. S. Use
VANCOUVER, B. C., March 9.—The Canadian Pacific steamship Empress of Asia arrived yesterday with 3,500,000 Chinese eggs consigned to points in the United States.

Italian Cabinet Resigns from Office
ROME, March 9.—Premier Giolitti yesterday notified King Emmanuel of the resignation of his cabinet.

Watchman Shot and Killed by San Diego Yeggman
SAN DIEGO, March 9.—James Mason, a night watchman, was shot and killed by a yeggman, who attempted to blow the safe of the Western Metal Company warehouse. The yegg escaped.

Three Fatally Hurt and Three Missing in Clarksburg, W. Va. Fire
CLARKSBURG, W. Va., March 9.—Three people were fatally injured and three are missing, who are believed to have perished in a fire destroying an office building here today.

Recurrent Quakes Marked by Seismograph
CLEVELAND, March 9.—Recurrent earthquakes throughout the last half of last night were registered by the St. Ignatius College seismograph. They are believed to have centered in the Orient.

Chino to Establish "Alfalfa Day" March 28
CHINO, March 9.—Saturday, March 28, has been designated as "Alfalfa Day" here and a big celebration is being planned for an event which is suggested as an annual affair provided this one is a success.

SEVEN PERISH OF TOXIC POISON IN L. A. CO. HOSPITAL

LOS ANGELES, March 9.—Three men died yesterday at the county hospital as result of injections of toxin for blood poisoning, making a total of seven fatalities who have passed away at that institution since Saturday night. Of the eight men who were given the treatment only one is alive.

The eight men were treated, Dr. Whitman said, with a preparation known as "914," or neo salvarsan, invented by Dr. Paul Ehrlich of Frankfurt-on-the-Main, Germany. Hospital authorities said that it had been used in many similar cases with good results. It is believed a sudden change had taken place in the drug, which is kept in airtight bottles.

Autopsy Ordered
Coroner Hartwell this afternoon ordered an autopsy of four men out of the seven who died in the county hospital Saturday and Sunday, following inoculation with neo salvarsan for a blood disease, from which all suffered. Coroner Hartwell believes that some toxic change occurred in the salvarsan used, but is uncertain where an autopsy will show this. Indications this afternoon were that county authorities will trace the salvarsan back to the factory in Germany in the hope of a solution of the problem.

WORLD'S BIGGEST ORGAN FOR SAN FRANCISCO FAIR

HARTFORD, Conn., March 9.—A local organ company of this city has been awarded the contract for the big organ for the Panama Exposition at San Francisco. The organ, which will be the biggest in America and probably in the world, will cost about \$60,000 and will have 114 stops. It will be seventy-seven feet high, forty feet wide and twenty feet deep.

ously the report that the Sacramento authorities had planned to send the unemployed army back here. He branded it as absurd. He said that Mayor Rolph holds the opinion that Sacramento can not legally send them back. He said: "It would be a misdemeanor to furnish them transportation here. We need and clothed the men while here. They went to Sacramento on their own initiative."

Mayor Rolph issued a warning to Sacramento authorities not to send the unemployed army back to San Francisco. He declared the law forbids the unloading of paupers on any city, and that he will prosecute if the Sacramento authorities violate the law.

NINETEEN DEAD PIXLEY IS PUT AT HEAD OF BOARD IN TERRIFIC BLAZE

Athletic Club Building Burns at St. Louis With Vast Financial Loss
New County Highway Commission is Out Viewing the Roads Today

FLAMES SWEEP 7 FLOORS WITHIN HALF AN HOUR

Heroism of 'Phone Operator Saved Lives of Scores of People in Peril

ST. LOUIS, Mo. March 9.—Nineteen people are believed to have been the death toll of a fire destroying the seven-story building of the Missouri Athletic Club here last night. Of the ninety persons in the building all the others are accounted for. The victims of the holocaust were all residents of St. Louis.

The heroism of N. Roe, a telephone operator, who warned the lodgers of their danger, probably saved scores of lives. The boatman's bank, on the ground floor, sustained a loss of a quarter of a million dollars, and the Athletic Club a loss of \$100,000.

Flames' Swift Work
Within half an hour after the fire was discovered the flames were shooting through all the floors of the club building.

The fire drove scores of roomers at the club into the streets in their night clothes. The missing men are believed to have been trapped on the floors above the fourth. The entire building was a seething mass of fire. At 2:45 this morning the roof of the massive structure, occupying half a city square, caved in, carrying down with it several floors.

Seven dead bodies have been recovered. Among the known dead are General Auditor John Rockey of the Ford Motor Co. Co., S. F. Kessler and James Riley.

The register with the names of those spending the night at the club was lost in the excitement. It is admitted many more might have been in the building than was known. Late this afternoon, however, it still seemed as if the death list would be nineteen.

TORREON UNDER ATTACK BY REBELS

Tampico Again Menaced—U.S. Warships Hurried to Vera Cruz by Fletcher

MEXICO CITY, March 9.—Rebels attacked Torreon today, according to official dispatches received by the war minister. Two thousand soldiers were immediately sent on a special train to strengthen the Torreon garrison. Confirmation has been received of the reports that rebels dynamited a train near Hornes, killing a dozen prominent persons.

Reports received here that Texas Rangers had seized Clemente Vergara's body caused no excitement.

Tampico Attack Imminent
VERA CRUZ, March 9.—Another rebel attack at Tampico is imminent according to wireless dispatches to Admiral Fletcher, commanding the American ships here. The rebels beat off a rebel attack at Altamira, a guarding the west approaches to Tampico, and the Mexican gunboat Zarapeza is to proceed to Tampico with troops. Rear Admiral Fletcher ordered the hospital ship Solace and the battleship Minnesota and Connecticut to proceed to Tampico.

DRUGGISTS WANT GREATER PAY FOR PARCEL POST WORK

NEW YORK, March 9.—Seventy-two Brooklyn druggists in charge of postoffice substations, who have formed a Postoffice Clerks-in-Charge Association because they are dissatisfied with conditions since the advent of the parcel post, announced last night they would resign in a body unless they received additional compensation.

The pay of these contract clerks ranged from \$100 to \$300 a year, and no allowance has been made them for taking care of the parcel post. The service now rendered the government, the druggist postmasters say, is worth at least \$800 a year.

WHIDDEN IS AGAIN ELECTED SECRETARY

Morning Session Taken Up With Review of Work that Has Been Done

This morning the new County Highway Commission organized by electing D. C. Pixley of Orange as president of the commission and G. A. Whidden as secretary. This morning S. H. Finley of Santa Ana and R. J. McFadden of Anaheim, who were appointed on the commission by the Board of Supervisors, to take the place of M. M. Crookshank and Richard Egan, filed their official bonds, and attended the first meeting of the new commission at the Highway Commission's office in the Register building.

The two new members of the commission urged Pixley to accept the presidency of the board, which he did. Whidden, who has been the commission's secretary for over two years, was re-elected.

The morning session was taken up largely in a discussion of the work that has already been done on the Orange county good roads system. Pixley reviewed with some detail the things that have been accomplished. The two new commissioners are anxious to secure all the information possible as quickly as possible that they may grasp the situation and go ahead with the work. For that reason a journey over some of the good roads was arranged this afternoon. The commission started at 1 o'clock to go over the road between here and Huntington Beach. Returning they will stop at the contract this side of Newport Beach.

Pixley, the new president of the commission, is one of the foremost citizens of the county. He served a number of years on the Board of Supervisors, and is interested in numerous business enterprises in this county.

COL. COLLIER RESIGNS AS EXPOSITION HEAD

SAN DIEGO, March 9.—Colonel D. C. Collier has resigned from the presidency of the Panama-California Exposition at San Diego and will absolutely refuse to consider re-election, according to a letter from him received by G. Aubrey Davidson. Collier has been touring Europe in the interest of exhibits.

GERTRUDE ATHERTON IS VICTIM CHICAGO THIEF

CHICAGO, March 9.—Mrs. Gertrude Atherton, the celebrated novelist, was the victim of a purse snatcher Saturday evening. She lost her handbag, with a sum of money and valuable trinkets, and suffered a severely sprained wrist. The scene of the attack and robbery was Lincoln Parkway, near Huron street.

FREIGHTERS WILL CALL EVERY 5 DAYS AT LOS ANGELES

Advices received here yesterday state that the American-Hawaiian Steamship Company's crack fleet of freighters will make Los Angeles a port of call for westbound steamers every five days beginning April 10, when the Ishman will arrive at San Pedro with New York and Philadelphia cargo, says the Los Angeles Examiner.

San Diego will not be eliminated as a port of call, but instead of the five day schedule now in vogue, the vessels of the line will call there only every twelve days.

The company plans to operate one of its fine freighters through the Panama Canal once every thirty-six hours after July 1.

According to the new American-Hawaiian schedule all the company's twenty-six freight steamers call at Los Angeles after passing Balboa northbound.

MARCONI EXPERIMENTS WITH RADIO-TELEPHONY

SYRACUSE, Sicily, March 8.—William Marconi arrived here yesterday with apparatus for experiments in radio-telephony. He was received on board the battleship Regina Elena by the Duke of Abruzzi, who last night gave a dinner in his honor. Mr. Marconi expects to spend ten days on the battleship exchanging wireless telephone messages with points on the Mediterranean.

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 253.

GAS COMPANY LABORERS ARE THREATENED BY TWO I. W. W. MEN, AND ONE MAN BEATEN

Sheriff's Office Informed Crowd of Outsiders on Wednesday Will Attack Men Working on Pipeline

Laborers on the Southern Counties pipeline between Placentia and Olinde have been having trouble with I. W. W. agitators. Yesterday one of the laborers was beaten up on the streets of Placentia, and had to be taken to a hospital in Los Angeles. The I. W. W.'s promised that they would return to the fray today with twenty-five men, and that they would proceed to do things to the laborers who declined to strike at the request of the dissatisfied persons.

According to the information received at the sheriff's office through Constable Schumacher of Placentia, three or four agitators are the cause of the trouble. Two or three of them were employed on the job and were fired. They then began making trouble.

The pipeline is the one being constructed by the Southern Counties Gas Co. for conducting natural gas from the Olinde fields to the pipelines that supply Fullerton, Anaheim, Orange and Santa Ana.

About twenty Mexicans have been employed digging the ditch. They have been paid by the foot, and most of the men have been making \$3 a day. The men handling the pipe are mostly white men. The pipe-fitters have been paid by the day, some of them \$3 and some \$3.50. The agitators demanded that all the men employed on the job strike for \$3.50 a day and eight hours. According to the information received by the Placentia constable, the men were all satisfied with their work, and glad to get it, particularly as it would be a steady job for several weeks. They declined to strike.

There was considerable bickering back and forth. Those employed on the job were maligned by the agitators. Yesterday one of the white employees was attacked on the street at Placentia, and his face was a sight to behold when he was taken on a car and sent to Los Angeles.

The agitators declared that they were not through with the affair. They also left for Los Angeles, declaring they would return today with enough men to clean out the job. Sheriff Ruddock has been informed of the threat. Officers are in readiness to go to Placentia should the men return. Constable Schumacher is watching the situation, and will telephone here if the outsiders appear.

This morning Under Sheriff Law, Constable Heard and Deputy Sheriff Davenport went to Placentia to investigate the trouble.

"We were informed," said Law on returning, "that there were three I. W. W. men employed on the job. They struck for \$3.50 a day, and when refused two of them quit. Those two beat up the third man, who had refused to quit. The men on the job were urged to quit, but they all refused. The two men who quit said they would go to Los Angeles and come back with some more of their men, and it is now expected that if they come at all it will be on Wednesday."

WHITE SLAVE RING IS NOW SUSPECTED

Probing of Shooting of Scott Palmer in San Diego May Expose Ring

SAN DIEGO, March 9.—Developments which indicate the possibility of the exposure of a white slave ring which may involve officers on the local police force have followed the arrest of Claude Dowd, the 21-year-old candy girl who is held in jail here in connection with the shooting of Scott Palmer, a local theatrical man, last Friday morning.

"We are going to make an investigation of the whole matter before we permit the release of the girl," declares Deputy District Attorney Dempster McKee. "We have received information which leads us to believe there is more in the case than the mere shooting of Scott Palmer."

COUNTY HIGHWAY FIELD WORK COST \$55.67 PER MILE, LOS ANGELES \$78

As a comparison of the cost of the field work done on Orange county highways of the good roads system with the work done on the Los Angeles system, figures have been gathered in the office of Chief Engineer Halladay of the Orange County Highway Commission. This county's figure is much the lowest. The report follows:

Santa Ana, Cal., January 29, 1914.			
Tables showing cost of field surveys of certain roads, and average cost per mile of entire system, comprising the Orange County System of Good Roads, for which bonds were voted in 1912 to the amount of \$1,270,000.00:			
Road	Miles	Total	Av. Per Mi.
Anaheim-Stanton-Cypress Sec. 2	4.02	\$ 119.05	\$ 29.60
Anaheim-Stanton-Cypress Sec. 1	1.24	59.39	47.50
Bay City Road	8.91	358.67	40.25
Garden Grove Road	5.95	173.14	29.10
Huntington Beach Road	9.41	458.70	48.65
Laguna Road	10.20	545.46	53.50
Tustin-Orange Road	3.75	200.65	53.50
Newport Beach Road	8.77	479.70	54.70
Riverside Road, Sec. 3-5	11.46	1942.00	169.50
Total road system	107.73	\$5996.29	\$55.67
*Riverside Road Sections 3, 4 and 5 from Olive to county line, up the Santa Ana Canyon along mountain side, much field work to secure best location.			

Office work on 37.81 miles cost \$1,859.74 or an average of \$49.20 per mile including bridge and culvert design.

Comparing this with cost of work recently done under the direction of the Los Angeles County Highway Commission as per table shown:

Table Showing Cost Per Mile of Surveys of County Highways Los Angeles			
County	Miles	Total Cost	Cost Per Mile
Road District Improvement No. 19	5.60	\$411.16	\$73.42
Road District Improvement No. 20	4.08	233.83	57.31
Road District Improvement No. 21	6.37	536.73	84.26
Road District Improvement No. 21	6.94	656.54	94.60
Road District Improvement No. 23	2.32	193.77	83.52
Average cost per mile			\$78.62

Also Harger & Bonney's Engineer Hand Book states on page 127 that the cost of preliminary surveys, including such information as obtained in Orange and Los Angeles counties, is from \$35 to \$70 per mile. These costs of Harger & Bonney's are for work in Massachusetts and New York and may be said to be applicable to work of this kind in the Eastern States.

COLQUITT TO BE PROBED BY WILSON

Alleged Raid of Rangers Over Border for Vergara's Body Must Be Explained

COLQUITT SAYS FRIENDS BROUGHT BODY INTO U. S.

Evidence Indicates Vergara Was Tortured at Hands of Mexican Rebels

WASHINGTON, March 9.—President Wilson summoned Secretary of State Bryan to an early conference today concerning the alleged raid made into Mexican territory by Texas after the body of Clement Vergara, an American executed near Nuevo Laredo. Later it was announced that the affair will be fully investigated.

Unless Gov. Colquitt makes an immediate and satisfactory report to President Wilson, the latter will demand it by wire. He has also asked for a report of the incident from the military standpoint from General Bliss, stationed at the border.

GOV. COLQUITT DENIES RANGER RAID INTO MEXICO

AUSTIN, Texas, March 9.—Governor Colquitt of Texas today reaffirmed a denial that Texas rangers had invaded Mexico to get Clement Vergara's body. He said that friends had disinterred the body and brought it back, giving it to the authorities here.

Capt. Saunders Tells Story
AUSTIN, Texas, March 9.—Captain Saunders of the Texas Rangers telephoned Governor Colquitt that Vergara's body was surrendered to him on Saturday night by Mexican rebels who had notified him the body would be delivered on the border opposite Hidalgo, Mexico. He said the rebels kept their promise. He promised not to know their names. Governor Colquitt reported accordingly to President Wilson.

STORY OF ALLEGED RAID OF RANGERS INTO MEXICO

LAREDO, Texas, March 9.—A force of Texas rangers are alleged to have, in the dead of night, crossed the international boundary line early yesterday, exhumed the body of Clement Vergara, buried in the cemetery at Hidalgo, Mexico, and brought it across the Rio Grande to American soil.

Pickets Stand Guard.
While two men dug into the shallow grave containing the body of the American executed by Mexican federal soldiers, after being lured to Mexican soil, the remainder of the band pickedet the cemetery to prevent their work from being interrupted.

The body was carried to Perrons and brought across the Rio Grande in a skiff, conveyed by other skiffs, containing the little armed band. Whether the Mexican soldiers knew of the expedition is not known, but in any event they made no effort to thwart the purpose of the invaders.

Body Now in United States
Tonight, the body of the American stockman lies in an undertaking parlor, it having been turned over to United States Consul Garrett.

AMERICAN BISHOP HAS AUDIENCE WITH POPE

ROME, March 9.—Pope Plus received yesterday in private audience the Right Rev. Edmund Mitchell Dunne, bishop of Peoria, Ill., with whom he conversed at some length. Bishop Dunne said after the interview that the pontiff was in normal health.

HOME RULE BILL UP IN COMMONS; SECOND READING

LONDON, March 9.—The floor of the galleries in the House of Commons was packed today for the opening debate on the Irish Home Rule Bill. Premier Asquith moved the second reading of the bill, then outlined the government's proposed compromise with the Ulster anti-home rulers by which the various counties will be given local option on the alternative of accepting the authority of the Irish or Imperial parliaments.

-BORITES' CONVICTION AFFIRMED BY HIGH COURT

WASHINGTON, March 9.—The supreme court today affirmed the conviction in the Indianapolis courts of unionists charged with unlawfully transporting dynamite from one state to another.

ALLISON WARE TO BE CANDIDATE FOR SUPERINTENDENT

Will Seek Nomination for Head of California's School System

CHICO, Cal., March 9.—Allison Ware, president of the State Normal School at Chico, has announced that he will run for the office of State Superintendent of Public Instruction.

Ware is well known throughout the state as a lecturer and educator. He was for some years a member of the State Board of Education. As such, he supported the Free Textbook Law and the reorganization of the state board. These measures were adopted two years ago by the greatest majority ever given a constitutional amendment.

Some of the more important school measures that Ware wishes to work for through the state superintendency are the following:

1. The construction of a practical state school administration through co-operation between the superintendent's office and the new state Board of Education.
2. The economical administration of the Free Textbook system to the end that school books shall be distributed and used without excessive waste.
3. The encouragement of industrial education along tested lines.
4. The organization of the superintendent's office as a clearing house where educational facts and standards will be brought together to encourage sound school legislation, good school administration, practical courses of study, better methods, and a fuller measure of school efficiency all along the line.

"California," says Ware, "spends one-half of its revenue upon education. Yet it has no real school system. There is no central point at which there may be an exchange of

ALLISON WARE

facts and tested truth. Our schools do not lack money, energy, brains, or good teachers. Frequently they do lack information as to the best way of meeting their problems.

"They need a clearing house in which educational common sense may be collected and sent out. Such a center the state office should be. It should help toward a wider service from our school plant. The state superintendent of schools henceforth has the service of three Commissioners of Education appointed by the State Board. By working with these deputies his office should be a vital force in toning up the whole school system.

"The people want their schools to reach the masses more effectively. They want all their children to have a more vital preparation for twentieth century life. They want one hundred cents' worth of efficiency for every dollar that is spent. They do not want guess work, personal opinion, hit-or-miss good intentions, or fads and fancies on the one hand; neither do they want indifference to the pressing needs of progress on the other.

"The office of State Superintendent of Public Instruction should be the place where efficiency standards are formulated and sent out. The experience of schools everywhere, if gathered and wisely put together, would throw light upon our problems and build up standards of good school work in California. It is only through the merit of such standards that we can ever come to have a real school system and receive full value for the money and children we put into it."

ANAHEIM SUGAR CO. ELECTED OFFICERS

ANAHEIM, March 9.—The stockholders of the Anaheim Sugar Company held their annual meeting at the office here. The main item for discussion was the election of a board of directors which resulted in the following: President, A. R. Peck; vice-president, C. M. Warner; secretary, treasurer, L. H. Multer; members of board of directors elected were E. S. Stimson, R. Melrose, J. S. Howard and J. A. Knapp. C. Otto Rust and William McClatchin were former members of the board who resigned.

IF THE SUIT IS WON ESTATE BE \$50,000

Los Angeles Times: The estate of Burdette Chandler, a pioneer oil man, who died February 17 last, will prove valuable in the event that a suit covering oil claims is decided in his favor. The will was filed yesterday by his widow, M. E. Chandler, who receives the small estate, consisting of real property, and through an administrator will represent her dead husband in the litigation.

Placer oil locations were made by him on land patented under grants to the Southern Pacific, which contained mineral exceptions. The suit of Roberts against the Southern Pacific is pending in the supreme court involving entries on land patented to the railroad for mineral exceptions.

Chandler filed on 160 acres near Whittier and the Central Oil Company brought suit against him and R. R. Armor to quiet title. This action is pending in the superior courts and covers the same question raised in Roberts' suit. If the mineral exceptions are sustained by the supreme court, Chandler's estate wins, and, according to his attorney, judgment, while prospective, may amount to \$50,000.

The heirs-at-law are the widow, Mrs. Hattie Carver and Mrs. Alice Forsyth, sisters, and Ira Chandler, a brother, of Santa Ana.

STOP CATARRH!

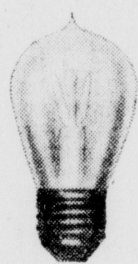

Use Hyomei—You Breathe It

Unless properly treated this disease often leads to a serious if not fatal ailment. It is needless to allow catarrh to ruin your health—use Hyomei—it is certainly effective relief for catarrh. It's the direct-to-the-spot treatment. You breathe it—no stomach dosing. No household should be without Hyomei. It not only gives quick but lasting benefit in cases of catarrh but is one of the surest and most pleasant treatments for head colds, sniffles, or croup of children. Hyomei is a combination of antiseptic oils—you breathe it—using a small inhaler. The air laden with health-restoring Hyomei soothes, heals and vitalizes the sore, raw and inflamed membrane of the breathing organs almost immediately. There is no other remedy that benefits so surely or so quickly. Money refunded by Rowley Drug Co. if you are not satisfied. Do not be without Hyomei another day. Druggists everywhere sell it. Get the complete outfit—\$1.00 size—this contains the inhaler and bottle of liquid.—Advertisement.

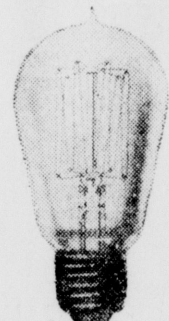

LIVING LIGHT GOES UP LIGHT GOES DOWN

Study the following illustration. The size of these lamp globes is in exact proportion to the purchasing power of light for ONE DOLLAR—1908 compared with 1914.

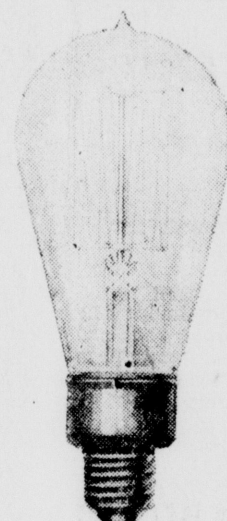

1908 One Dollar Purchased 1904 Candle Hours of Electric Light

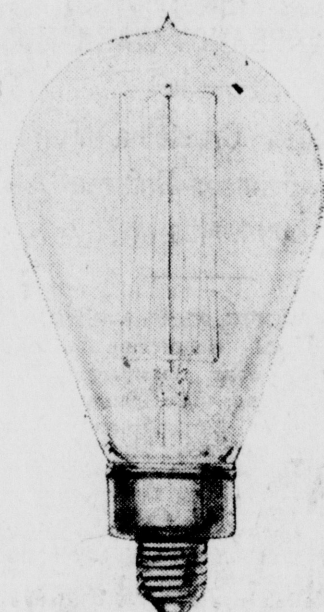

1910 One Dollar Purchased 3076 Candle Hours of Electric Light 62% Increase in Illumination Over 1908

1912 One Dollar Purchased 8000 Candle Hours of Electric Light 320% Increase in Illumination Over 1908

1914 One Dollar Purchases 11428 Candle Hours of Electric Light 500% Increase in Illumination Over 1908

Now you are enjoying a 7 cent per kilowatt maximum lighting rate, with free lamp renewals. The rate decreases to a minimum of 2½ cents per kilowatt hour, the scale of reduction being in proportion to the amount consumed.

Nine years of voluntary rate reduction is our record. New rates (effective March 1st, 1914) show the enormous cheapening in light, while nearly all other commodities of life have continuously advanced.

Southern California Edison Co 411 North Main Street, Santa Ana Phones 46

CELERY SHIPMENTS WERE FINISHED IN THE LAST FEW DAYS

HUNTINGTON BEACH, March 9.—Last week's shipments will close the celery season in the Whittier district, one of the rich fields included in the big Orange county celery growing area. Owing to the recent heavy rains, the season has been somewhat shorter than the usual shipping period.

A campaign for better streets has resulted in the city trustees ordering the improvement of the following streets: Fifth street, from Ocean avenue to Main street; Sixth street, from Ocean to Main street; Eighth street, from Walnut avenue to Palm avenue; Ninth street, from Ocean avenue to Palm avenue; Tenth street, from Ocean avenue to Palm avenue; Magnolia avenue from Southern Pacific property to Eleventh street; Acacia avenue from Main to Eleventh street; Geneva street, from Alabama avenue to Delaware avenue.

There is much interest being manifested here in the coast boulevard, and as the South Coast Improvement Association has asked the supervisors of Orange county to begin condemnation proceedings, it is believed that action will soon be taken to acquire the right-of-way through this county. T. B. Talbot, who has been chairman of the Board of Supervisors for the past four years, is an old and influential resident of this city.

NORWEGIANS GOING SOUTH CHRISTIANA, March 9.—Emigration from Norway has taken a strong turn to Mexico and the Gulf of Mexico regions of the United States, according to a government report issued here today. Heretofore Norwegians have with few exceptions emigrated to Wisconsin, Minnesota, the Dakotas and the Pacific Northwest, but the trend is now said to be southward. The Norwegian Mexican Gulf Steamship Line has just greatly increased its capital to provide facilities for the new traffic.

Take a stenotypy course at the Orange County Business College.

MILK IRRIGATES A LAWN, WAGON STOPS ON HITCHING-POST

A runaway horse did about all he could do to a milk-wagon and a load of milk this morning. The outfit belonged to the Santa Ana Jersey farm. While the driver was delivering a bottle of milk the horse decided to go on alone at a rapid rate of speed. Near the corner of First and Birch streets he took a cut across Officer Lacy's lawn. In the lurch most of the milk was spilled on the lawn. The horse then galloped across Birch street on to Mrs. Moore's lawn, and in leaving that place a wheel of the wagon caught on an iron hitching-post, with the result that right there the horse and wagon parted company. The horse kept going. The wagon was wrecked. If a milk-watered lawn is as much to be desired as milk-fed chickens, Lacy ought to be well satisfied.

GOOD SUGGESTION TO SANTA ANA PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ka, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Santa Ana agents for Adler-ka. The Rowley Drug Company.—Advertisement.

Stubborn, Annoying Coughs Cured "My husband had a cough for fifteen years and my son for eight years. Dr. King's New Discovery completely cured them, for which I am most thankful," writes Mrs. David Moor of Saginaw, Ala. "What Dr. King's New Discovery did for these men, it will do for you. Dr. King's New Discovery should be in every home. Stops hacking coughs, relieves the gripe and all throat and lung ailments. Money back if it fails. All druggists. Price 50c and \$1.00. H. E. Bucklen & Co., Philadelphia or St. Louis.—Advertisement.

THREE INJURED AUTO HITTING FLAT CAR

Left on Crossing at Night,
Driver Thought it
Shadow

ONE MAN MAY DIE FROM BROKEN SKULL

The Accident Occurred at 3
O'clock Yesterday Morning
at Anaheim

ANAHEIM, March 9.—William Anderson was probably fatally injured and Harry Copp and Burt Wilson were seriously hurt at 3 o'clock yesterday morning when the automobile in which they were riding collided with a flat car of the Southern Pacific tracks at the South Los Angeles street crossing.

A party of six were returning from Santa Ana at a high rate of speed and evidently did not see the car, which, in switching, had been left across the road and in the darkness had the appearance of a heavy shadow thrown on the track. The auto crashed into the flat car broadside, totally demolishing the machine and throwing occupants through the windshield.

Later the victims were removed to the Anaheim Sanatorium, where it was ascertained that Anderson had sustained a broken skull and but little hope is entertained for his recovery. Copp and Wilson sustained scalp lacerations, but will both recover. The auto belonged to Copp, who is a resident of Fullerton.

day. The girl's name was Sylvia Sterling, aged 16. Theurer is 25. They lived at Glendora, and Thursday morning without a word to any of their relatives they left their homes and came to Santa Ana.

In securing the license, Theurer swore that the girl was 18. In filling out the Board of Health record the girl also gave her age as 18. They gave Santa Ana as their residence.

Mr. and Mrs. M. N. Sterling of Glendora, parents of the girl, became alarmed over her disappearance, and, suspecting that she had run away with Theurer, a warrant for the two was issued. Sheriff Hammel of Los Angeles telephoned here, and the couple were located and returned to Los Angeles.

No warrant has been issued here, though it was here that the alleged perjury as to the girl's age took place. The couple were taken to jail here, and yesterday were turned over to a Los Angeles officer.

WELL KNOWN DREDGING ENGINEER PASSES AWAY

SAN FRANCISCO, March 9.—Capt. Charles A. Morris, well known in the east as a dredging engineer and connected with J. P. Holland in the construction of his submarine, died yesterday at Los Gatos. He lived at Bloomfield, N. J., but came to the coast for his health last December.

SUFFRAGETTES IN LONDON BATTLE

Sylvia Pankhurst and Zelle
Emerson—Austrian Women
in Suffrage Meetings

LONDON, March 9.—Militant suffragettes again engaged in battle with the police yesterday on their favorite field, Trafalgar Square, in a pouring rain. The arrest of Sylvia Pankhurst for the sixth time under the "cat and mouse" act, precipitated the conflict. In addition to Miss Pankhurst, seven women and three men were arrested.

Among those arrested was Miss Zelle Emerson of Jackson, Mich. Miss Emerson has been arrested several times for participation in suffrage demonstrations and recently there were rumors that steps were being taken by the British government to deport her as an undesirable alien. Replying February 26 to a question as to whether this report was true, Reginald McKenna, the Home Secretary, asserted no such steps were being taken. He added, however:

"If Miss Emerson again commits an offense bringing her within the provision of the alien act the question of applying to the court for a recommendation for her expulsion will be considered."

AUSTRIAN WOMEN HOLD
MASS MEETINGS IN EMPIRE
VIENNA, March 9.—Hundreds of women's mass meetings in favor of woman suffrage were held yesterday throughout Austria. At all of them resolutions were adopted declaring that it was the general demand of Austrian women for the vote in Parliamentary and local elections. The mass meetings were organized by the Socialist party.

SUFFRAGETTES PLAN TO CAPTURE VOTE IN SOUTH

BIRMINGHAM, Ala., March 9.—Women suffragettes in the opening of a two days' conference here promised to take an open-handed swat at Representative Underwood. They declared that his position against suffrage, and his pledging the Democratic party against it, was a sufficient reason to keep him out of the United States senate, for which he is now a candidate. This question, however, caused somewhat of a division in the ranks, for some of the members held that such an attack would not have an ill effect on his chances, inasmuch as the state is not yet strongly pro-suffrage.

Dr. Anna Howard Shaw and her cohorts from the national suffragette organization were on hand when the convention was called to order today. The doctor, despite a recent painful injury, promised to take a leading part in the conference. The more radical delegates today thought that an active stumping campaign for Hobson as against Underwood would be the proper medicine to apply to the leader of the Democratic majority of the house.

An Overburdened Wife
If the work that women do and the pains they suffer could be measured in figures, what a terrible array they would present! Through girlhood, wifehood and motherhood woman toils on, often suffering with backache, pains in side, headaches and nervousness which are tell-tale symptoms of organic derangements which Lydia E. Pinkham's Vegetable Compound—made from roots and herbs—can undoubtedly correct. Women who suffer should not give up hope until they have given it a trial.—Advertisement.

Modern Cleaning Co. Changes Ownership
A. F. Isaacson, proprietor of the Modern Dry Cleaning Company, has sold his business to Carl A. Flene of Orange. The new owner is now in possession, but will be assisted by Mr. Isaacson until such time as he has mastered all the details of the business.

EASY VICTORY; SCORE 6 TO 0

Santa Ana High School Put it
Over Whittier in Baseball
Game

Santa Ana High School smeared the Whittier High School baseball team Saturday afternoon with a score of 6 to 0. The boys are not only well pleased with the victory, but they are well pleased with the showing made by the locals, for with the right kind of hard work the team will develop into the championship stuff.

The game was a practice game, the league games not yet having started. Warren was in the box for the Santa Anas, and Brown wore the mask. The battery proved effective. Warren walked only two men during the game, and he struck out a goodly lot. With Warren's pitching and excellent fielding, Whittier never got past second base. Under Coach Ratcliff's vigorous methods, the boys are already playing well together. Some difficult flies to the field were nabbed in pretty shape.

A feature of the game was Carrillo's batting. He tried to leap up against the pellet just as Gavy Cravath told the high school batters the leaning should be done. Result: Carrillo sent a ball over the right field fence, and scored a home run. Carrillo was not the only Santa Ana who did well with the stick, and since it takes good batting to win games, the local high school fans are in hopes that it is going to be a Santa Ana batting year. Santa Ana's base running was excellent. At least, stolen bases were the order of things whenever a man got to first. Most of it was due to the fact that White, Whittier's catcher, was frightfully slow in throwing to second.

GETS \$10 FOR HIS SUSPICION OF BOY

This morning Fred Trefren of Laguna Beach saw a boy at the Santa Fe depot at Irvine and suspected there was something wrong with the lad. He talked to him awhile and finally concluded that the boy ought to be arrested. After arrest the boy said he was Frank Agen and had escaped from the George Junior Republic at Chino. Trefren brought him here and turned him over to the jailer. Trefren will get a reward of \$10 from the Republic.

FIVE MINUTE CURE IF STOMACH IS BAD

"Pape's Diapepsin" is Quick-
est, Surest Indigestion
Cure Known

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lies like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Advertisement.

Bean Straw and Beet Molasses New Food to Fatten Stock

New Use Found for California
Products Hitherto Considered
as Waste Residue

OXNARD, March 9.—Experiments being made by the Patterson Ranch Company with a new stock food indicate that bean straw and beet molasses will solve the problem of a cheap and nutritious fattening food. The company has been using the food for its own stock successfully for several months, and will soon make it on a larger scale. Ground lima bean straw is thoroughly mixed with sugar beet residue molasses by a special process in the proportion of 80 per cent straw to 20 per cent molasses.

The resulting product is said to be adapted as part of the ration for beef and dairy cattle, sheep and work stock. The plant represents an expenditure of \$15,000, including machinery and equipment.

ALASKAN SOLON IS NOW PROGRESSIVE ON WILSON LINES

TACOMA, March 9.—A Fairbanks, Alaska, cable says that James Wickersham, delegate to congress, who was a Republican and then a "Progressive," has joined the Democratic ranks. In a letter to W. H. McPhee, received at Fairbanks Saturday, Judge Wickersham writes:

"I have long been opposed by the standpat Taft element in the territory of Alaska and in Washington, D. C. I am not in harmony with any of the principles represented by them, but find myself in entire harmony with the political principles announced and supported by President Wilson. I am a Woodrow Wilson Progressive and intend to give him my support. He represents principles and ideas which I distinctly approve and I intend to stand with him in the future." Wickersham also declared his entire sympathy with the administration's coal lands policy.

A WATER ARBITRATION COMMISSION

In the case of Abby W. Hiller vs. John N. Griffiths, Ventura county, Superior Judge Robert M. Clarke ruled as follows:

"It is the judgment of the court in this case that if the parties hereto would spend some time and money in developing the waters of Joy Canon, or commit this problem to the Conservation Commission, better results could be obtained by both of them than by litigation, and I sincerely trust that a method may be worked out and evolved whereby the parties hereto may cooperate with the state for their own good."

This statement by Judge Clarke is another instance of the growing feeling in this state that there is a necessity for a state commission that will have authority to settle disputes relative to the waters of the streams, which are the property of the state. So far there has been only one commission created, the State Water Commission, which has limited powers with relation to the appropriation and use of water for power purposes only.

The last legislature enacted a law creating a Water Commission, with power not only to settle a dispute with relation to water, as suggested by Judge Clark, but also to investigate on its own initiative and determine all the water rights on different streams in California.

Unfortunately, such work has been delayed, as the law is now the subject of a referendum in this state. However, it is believed that the benefits to be derived from such a law are only delayed, for it is certain that as soon as people understand it fully, there will be a large majority in favor of its enactment.

INCOME TAX COMPLEXITIES

To the average man, the making of a full and fair return of an income, and the writing of a law covering the various classes of income, seems fairly simple. But the putting into effect of the new statute has disclosed a multitude of irritating complexities that had not been thought out in advance. No doubt the law will be amended and simplified.

One of the more serious difficulties is the question of how profits and losses in stocks and bonds should be treated. Many railroad stockholders and other stockholders saw the market valuation of their certificates shrink almost half during the year 1913. Are they entitled to deduct from their income this shrinkage? Or must they wait until they actually sell such stock?

It has been stated by some authority that such losses could be claimed as deductions, if actually charged off as losses on the books of the stockholder. But if so, the question would arise, next year, whether the stockholder would remember to add the increment of value, should such stocks happen to take a rise.

The depreciation of property used for industrial purposes is another point of some difficulty. One imagines that depreciation charges will be much more common on factory books than they used to be. Formerly it was often said that a large charge for plant always looked well in case you had a fire.

When the powers that be set out to improve the law, they should realize how much it will add to their name and fame if it can be made to work with less friction. For every man who has cursed the administration because he believes the principle of the law is unfair and unjust, a score have muttered maledictions because of the bother and fuss imposed on them under the complexities of the statute as it stands.

AT THE COMING PRIMARIES

The new law which provides that no party designations shall be shown on primary ballots other than for state officers, means simply this: When a registered Progressive walks in to the polls to vote at the primaries he will be handed a ballot containing all the candidates for nomination for various state offices ON THE PROGRESSIVE TICKET and the rest of the ballot will contain the names of ALL candidates of ALL parties without any party designation. No county officer will be able to run as a Republican, Progressive or under any other party name. The voter must vote for the MAN.

This is the removal of partisan politics from county elections. It

blows out the old time strife and puts the offices into the hands of the best men regardless of the party label. Thus the evolution in modern politics goes on.

EDITORIAL CHANGE

The Huntington Beach News announces a change in its proprietorship, Louis Paul Hart having sold the paper and business to James C. Conrad, formerly editor and proprietor of the Alhambra Advocate.

Despite the fact that he is succeeded by a man of his own caliber there will be general regret throughout Orange county over the retirement of Mr. Hart from the local journalistic field. He is a man of exceptionally high character and attainments and he made the News a better newspaper than one in a thousand in towns the size of Huntington Beach.

But Mr. Conrad's success in his former fields of activity and his very evident good character and ability, coupled with a pleasing personality, give assurance that the News will not suffer deterioration by reason of the change in ownership.

THERE AIN'T NO SUCH ANIMAL

The Philadelphia Public Ledger, which has often given a left-handed support to the Penrose machine in Pennsylvania, is now imploring the Republican party to choose exceptional candidates for the approaching campaign.

"No makeshift will serve," says the Ledger. "The candidate must be able and above suspicion."

Now, if the Ledger will inform the people of Pennsylvania how any candidate on the Penrose ticket can be "above suspicion" it will have performed a genuine and lasting service for its Republican friends in that state.

There is nothing new under the sun, but you can't make a woman believe it when she gets tired of an old hat.

THE CHARGE OF EXTRAVAGANCE AGAINST GOVERNOR JOHNSON ABSOLUTELY REFUTED BY FACTS

SAN FRANCISCO, March 9.—In its frantic endeavor to besmirch Governor Johnson, the Los Angeles Times recently published an article setting forth the appropriations made for the governor's office and claiming that all of these were personal expenses and that he had far exceeded other governors.

The plentiful appropriation bills of 1909, 1911 and 1913 were as follows:

Governor	1909.	1911.	1913.
Private secretary	\$20,000	\$20,000	\$20,000
Executive secretary	7,500	7,500	7,500
Stenographer to Governor	4,000	4,000	4,000
Special contingent	3,000	3,000	3,000
Postage, expressage, telegraphing, traveling and contingent expenses	6,000	6,000	6,000
Printing, binding, ruling, etc.	1,500	1,500	1,500
Support and maintenance of Governor's residence, grounds, etc.	17,500	17,500	17,500
Salary watchman, executive mansion	2,400	2,400	2,400
Rewards offered by Governor	1,500	1,500	1,500
Rewards offered by Governor for illegal voting	500	500	500
Rewards arrest and conviction highway robbers	2,000	2,000	2,000
For arresting criminals without state	20,000	20,000	20,000
Lieut. Governor salary	8,000	8,000	8,000

The foregoing are the appropriations for maintaining the office of governor. During the latter part of Gillett's term they were the same as during Johnson's term. Johnson never had anything to do with the salaries or the fixing of them. They were all fixed long before he came into office and all paid to his predecessor.

There is allowed to the governor what is termed a "special contingent or secret service fund," of \$5,000 per year. This has been allowed from time immemorial and has been found essential for investigations and the like conducted by the governor.

Governor Gage was allowed \$5,000 per year, exactly as is now allowed, and during Gage's term every dollar of the appropriation was drawn and expended.

Governor Pardee was allowed the same sum, and during his term every dollar was drawn and expended.

Governor Gillett did not draw all of

his fund, but he did draw \$5500 of that fund.

Johnson has drawn to date, of the \$20,000 appropriated for four years, approximately \$10,000.

The fund is an essential one for the office of governor, as any man of sense will understand.

There is an office contingent fund for postage, expressage, telegraphing and the like of \$3000 per year and this sum has been used by all governors alike, and there is no difference in any one of the four governors in its use. It is hardly sufficient for the necessary contingent expenses of the office, and that fact is so demonstrated by the fact that for sixteen years past it has been wholly used by all of the occupants of the office.

To charge Governor Johnson with these various funds and the salaries of the employees of the office as personal expenditures, is the silliest kind of nonsense, and wholly unjustified. The governor's office today is maintained upon exactly the same sums upon which it was maintained during the last two years of Gillett's term. In 1908 the salary of the governor was increased to \$10,000 per annum. This, of course, was by vote of the people.

Two years prior to Johnson's election and during that two years remaining of Governor Gillett's term, he was paid the salary at the rate of \$10,000 per year.

When Governor Johnson came into office he found that the legislators had prepared plans for a new governor's mansion and that the cost was to be somewhere between one hundred and fifty and two hundred and fifty thousand dollars. A committee had visited the old mansion and had condemned it as unsafe, unsanitary and unfit. Governor Gillett said it was unfit to live in and described his difficulties with bats, etc. Johnson declined to permit the construction of a new mansion. The legislature appropriated \$10,000 for the renovation of the old mansion and with that sum, new plumbing, new floors, new carpets and furniture were placed in the house. It was remodeled and practically rebuilt and repainted. With this small appropriation the mansion is now fit for a quarter of a century. During Governor Gillett's term, two appropriations were made for the house, one of \$8,500 in 1907, one of \$2,000 in 1909, and yet at the end of his term the house was uninhabitable.

These details show the injustice of the statements made that Governor Johnson has been extravagant. The attempt of the Times even goes so far as to impute that Governor Johnson has misused public funds.

The foregoing facts and figures make it plain that the Times is guilty of gross libel.

PRETTY CHURCH WEDDING

Miss Lena Holt Becomes Bride of Posie Hampton in Presence of Large Congregation

A charming church wedding was celebrated Sunday at 1 o'clock when Miss Lena Holt was united in marriage to Mr. Posie Hampton. The nuptials took place in the United Brethren church which had been artistically decorated for the happy occasion in white and green, calla lilies, smilax and other dainty greenery being used.

To the strains of the Lohengrin wedding march played by Miss Bertha Crawford, the bride and groom entered the church from the east door and walked to a position in front of the altar. They were accompanied by Miss Helena Ford of Edinger street, charmingly dressed in a tan traveling suit, and John H. Holt, brother of the bride. The bride was beautiful in a lace and fringe trimmed gown of filmy white with feecy wedding veil wreathed with orange blossoms. The groom was in conventional black. Rev. N. J. Crawford, pastor of the United Brethren church, read the lines that made the two men and wife. The wedding took place immediately after the usual Sunday morning service and was witnessed by a large number of people.

After congratulations the happy pair left for Long Beach for a short honeymoon. Later they will leave for Alberta, Canada, where the groom has a cozy home prepared for his bride. The young people will be followed by the good wishes and congratulations of a host of friends and relatives.

Had Jolly Evening.

Guy Wilson was happily surprised Friday evening by a number of his classmates from Jefferson school, who gathered at his home on Durant street for a merry evening of games and music. Light refreshments were a pleasant finish for the evening's fun.

Those joining in the affair were Misses Margaret, Tedford, Amy Larson, Marion McGrath, Irene Minter, Gertrude Minter, Ella Slocum, and Messrs. Dorrel Pierce, Lee Eckley, Eugene Trago, Horace Roberts, Hugh Osborn, Mark Todd and Frank Chapman.

Surprise Birthday Party.

Mrs. T. W. Neely of the First Methodist Church Young Woman's Missionary Society had a birthday recently and the members of the society joined her in celebrating the event, surprising Mrs. Neely at her home. The evening was spent in playing "Rook," and refreshments taken by the guests were served at the close of the evening.

MARY GARDEN WILL AID IN RESTORING MISSION

Miss Mary Garden, the grand opera singer, now in Los Angeles, will assist in the restoration of the San Juan Capistrano mission. This became known yesterday when a friend of the singer's stated that he had received the prima donna's assurance that she would do everything possible to help restore the beautiful old edifice to its original state. Miss Garden saw the mission when she came here last spring and became infatuated with it.

Wheat-Titchenal

Miss Myrtle A. Titchenal, daughter of the late Jack Titchenal, became the wife of Carl O. Wheat of Fullerton, at 11 o'clock Saturday, the wedding taking place at the home of the bride's mother, Mrs. Alice A. Titchenal, 113 French street. The officiating clergyman was Rev. Statem of Fullerton, a friend of the bridegroom, who is an electrician of that city.

The bride, who was charming in a traveling suit of blue, is the granddaughter of W. H. Titchenal, a pioneer of this city. She is popular here and will be much missed from her circle of friends, who wish her all happiness.

Mr. and Mrs. Wheat left immediately after the ceremony for a brief wedding trip to San Diego, and on their return will reside in Fullerton.

That High School Play

Never has the S.A.H.S. attempted a more difficult play than that of Barbara Frietche, to be given at the Grand Opera House Saturday night of this week. Mr. Phillips confidently believes that it will be one of the most brilliant dramatic productions ever given by the school.

Miss Anderson, as Barbara, has marked histrionic ability. She has an extremely emotional part to interpret and it rings true throughout. John Menges is strong as Capt. Trumbull, a Union officer in love with Barbara. 'Mammy' Lee, an old darkey servant, is admirably interpreted by Gladys Post. Esther Johnson, Melton Hatch, Irving Burns, Carl Adams, Raymond Adkins, Guy Pearson, Welcome Ward, Frank West and Vern House, Corinne Burns, Mary Crozier and Helen Remsburg do their share in rounding out an altogether well balanced play.

At Orange County Park

Lovely Orange County Park with its giant live oaks, spreading sycamore trees and translucent streams attracted about two hundred picnickers yesterday, the day being perfect for outings. There were scores of picnic parties and the beautiful park was ideal for picnic enjoyment.

Among those motoring to the park were Mr. and Mrs. McBurney, I. D. Ahnis and family, J. E. Liebig, the L. A. J. F. and R. J. Sweet's, and J. T. Mitchell and family.

Monday Club Tonight

The regular meeting of the Monday Club will be held this evening in Library Hall at 7:30. T. D. Knights will present a paper on the question: "Do So-Called Trusts Affect Economic Conditions?"

Dinner Party

Friday evening Dr. and Miss Boyd entertained at dinner C. E. Utt and family of Tustin, J. C. Joplin, Mrs. W. P. Joplin and twin daughters, Misses Elizabeth and Louise Utt delighted those present with recitations.

STUFFLEBEEM-EDWARDS

Well-Known Girl of Orange County Weds Tulare Ranchman at Seal Beach

Mr. and Mrs. F. J. Rogers and Mr. and Mrs. J. H. Edwards of this city were invited guests to the wedding of their niece, Miss Frances Edwards, of Seal Beach, to J. W. Stufflebeem of Tulare on last Saturday afternoon. The bride, who is the daughter of Mr. and Mrs. W. J. Edwards, at whose home the wedding took place, is well known in Santa Ana and in the peatlands section.

The marriage was at 3 o'clock and Rev. Chas. Crist of Los Angeles officiated. The house was decorated with pink and white carnations, and the bride was dressed in pink charmeuse with overdruss of silver lace bordered with white fur. She carried a bouquet of white hyacinths and maiden hair ferns. The pink and white color scheme was carried out in the ice cream and cake served after the ceremony, also in the heart-shaped favors distributed among the guests, of whom there were about fifty, including Postmaster N. T. Edwards and family of Orange.

The young couple left for Tulare after the wedding. Mr. Stufflebeem owns a stock and alfalfa ranch near Tulare and has a home waiting for his fair bride, whose many friends here will follow her journey to the new home with all sorts of good wishes.

For Sunday School

Miss Verna Peterson was hostess on Saturday night to the members of her Sunday school class, for whom she had charmingly decorated the home with flowers and greenery. Music and games and delicious refreshments were enjoyed by the fifteen guests. Miss Peterson was assisted by Miss Lois Tedford.

Entertained Sunday Visitors

Mr. and Mrs. H. D. Meyer of Fairview and Mrs. Kohlmeier and Mrs. Stunkle of Evansville, Indiana, who are visiting with H. D. Meyer and family, were entertained at dinner on Sunday and spent Sunday afternoon with F. Holzgrafe and family. The Indiana ladies are old acquaintances of many years ago, probably thirty-five years, in the Hoosier state, and come out here about a month ago to visit friends.

Mr. and Mrs. Panier of Anaheim and daughter Alice also called at the Holzgrafe home yesterday and spent the afternoon with their friends.

Class Meeting

On the afternoon of last Saturday, the Philathea Class of the First Methodist church met for its regular business meeting and social at the home of Miss Bessie McCord, 610 Orange avenue. Miss McCord and Miss Jane Stanley being hostesses.

The girls were all supposed to bring their fancy work, and after the business meeting, a very profitable as well as enjoyable afternoon was spent in "working" the embroidery needle and crochet hook, and in merry chat and gossip, but only the ears of the weather had reason to burn on this particular occasion.

Later in the afternoon, dainty and appropriate refreshments, consisting of pineapple ice, cake and candy were served, and in compliance with the many requests Miss Stanley played some very beautiful selections on the piano.

Dr. Clark's Reading

The largest service a public speaker can render is to open men's eyes upon the largest things of life, inspire them with nobler purpose and a shaken in them impulse to achieve that purpose. This service Professor Clark renders through his masterly readings. He has an excellent reputation as a public speaker, and as a master of literature. So thoroughly in touch is he with the noblest spirits of the past who have given themselves to the world in the written page, that, by the power of his personality transformed by, and transfused with, their thoughts, he is able to carry his audience with him into the highest realms men's thoughts can live in. Those who hear him always leave the auditorium with a deeper appreciation of the best literature, and a high resolve to live more nobly because of the inspiring atmosphere they had lived in that hour.

The visit of Professor Clark to Santa Ana last year familiarized many with some of the world's best literature. We are fortunate to have him twice this year, thanks to the enterprise of the Santa Ana public school teachers, at the popular price of fifty and seventy-five cents for both readings or thirty-five and fifty cents for either one. The opera house should be filled with people on both occasions. All lovers of literature; all interested in the best forms of entertainment; all interested in the pure life of our nation, should hear Dr. Clark's reading of the "Melting Pot."

and all reports of officers and superintendents should be ready to be given at this meeting. Some special music is being arranged for the occasion. A full attendance of the members is desired at this important business meeting.

P. T. Association to Meet

The Roosevelt Parent-Teacher Association will hold a meeting tomorrow afternoon at 3 o'clock. The question box will be the principal feature. The affair will have some St. Patrick's Day features, and other entertainment will be provided. The mothers are especially asked to be present at this meeting.

Joint Patriotic Tea

A joint tea of the Woman's Relief Corps and Sedwick Post will be held on Wednesday afternoon at G.A.R. Hall, beginning at about 2 o'clock. These teas afford opportunities for social amenities that are greatly enjoyed. The public is invited to attend.

Personals

Mrs. Oliver Remsburg was a morning passenger to Los Angeles.

Mrs. J. R. Medlock and Mrs. C. A. Gustlin went to Los Angeles today on an early morning car.

Mrs. W. H. Clayton attended the Booker Washington lecture in Los Angeles today.

Miss Faith Shaw returned last evening from a week-end visit at Ramona Park, Los Angeles.

Miss Edna Wilson is at home after a two days' visit with Los Angeles friends.

Mr. and Mrs. J. G. Morrow were called to Pomona Saturday by the news of an injury received by Mrs. Morrow's mother, Mrs. Wright, in an automobile accident. Mrs. Morrow will remain there for several days, but Mr. Morrow returned here yesterday.

George S. Thacker paid a business trip to Los Angeles today.

Charles Mitchell was a morning passenger on an out-going Los Angeles car.

Mrs. Addie Collins made a Los Angeles visit today, leaving here on an early forenoon Pacific Electric car.

Miss Justine Whitney spent Sunday in Los Angeles visiting relatives.

R. D. Henderson and daughter of Bowling Green, Ohio, are visiting E. E. Cooley and family, 1403 Spurgeon street. The visitors have been spending several weeks with friends and relatives at Redlands. They are related by marriage to the Cooleys.

Miss Edna Ames was an over-Sunday guest at the home of her uncle, A. W. Ames. Miss Ames is now teaching music in the Polytechnic High School of Los Angeles.

Mr. and Mrs. Jacobson of East Second street spent yesterday at Long Beach.

Mr. and Mrs. J. H. Walker returned home last evening from a visit to Los Angeles. Miss Lillian, who accompanied them, remained over in Los Angeles to hear the Booker Washington lecture. She is expected home this evening.

Mrs. V. B. Harris of the post office staff went up Saturday afternoon to Los Angeles for an over-Sunday visit with friends.

Mr. and Mrs. F. G. Bennett of Long Beach spent Sunday with Mr. and Mrs. M. E. Rutter of 823 F street.

D. M. McChyne, the accountant, accompanied by his wife, mixed business with pleasure in a delightful trip to Los Angeles and surrounding country on Saturday and Sunday. They were looking over their property interests in Glendale.

Mrs. Miller of Fresno is visiting at the home of Dr. and Mrs. John Dryer. Mrs. Miller is Dr. Dryer's sister.

Mrs. E. B. Corrao, with her two children, is visiting her parents, Mr. and Mrs. H. T. Slawson, of 602 East Fifth street, and her sister, Mrs. Frank Wyman, of North Sycamore street.

Mrs. Ida Taylor and little son Meritt, of Los Angeles, spent Sunday with Mr. and Mrs. M. W. Davis of North Flower street. Miss Eunice Davis, daughter of Mr. and Mrs. Davis, also spent Sunday with them. She is teaching at Rialto.

Rev. Otto S. Russell left today for Marshall, Mo., on a business trip that will necessitate an absence of two weeks.

Correctly fitting glasses are made by Dr. Loersch, 116 East Fourth.

Consult Dr. Enochs, Sunset phone 47.

GUY BATES POST MAKES OMAR KHAYYAM A LOVER OF ALL MANKIND—BRINGS OUT NEW ELEMENT

Literary circles in New York have become greatly interested in Guy Bates Post's remarkable presentation of Omar Khayyam. While he has made the old Persian something like every one expected he would, he has brought out a new element. He accentuates Omar Khayyam's charity as the keynote of his character.

"I think of Omar as a philosopher and a scientist, a man with twentieth century ideas living in the eleventh century," said Mr. Post, "but he appeals to me most because he, like Abou Ben Adhem, loved his fellowmen. He had a great big human heart that enabled him to look over the narrow prejudices of race and creed to be a 'lover' in the big sense. But this conception does not prevent him from being the hero in the beautiful love play which Richard Walton Tully has written.

"As the man of world-wide sympathies, Omar protects a Christian knight who flees into his garden because that same Christian knight is loved by his daughter. Omar submits to torture in the great judgment hall so as to distract attention while the knight escapes. Later, when Omar has been saved, and an humble Bedouin slave creeps back to him, wounded to death, because he helped the Christian to steal

Woman's Fads and Fancies

NEW YORK, March 8.—Monkey jackets and boleros are now around and about every fashionable figure and as long as you ape the fashions you must hustle into one. Preferably of black velvet they are worn over transparent blouses with long baggy sleeves of net but if you wish to carry them out in the material of the rest of your costume they are equally smart. Over blouses of brilliantly hued and weirdly designed Poiret silks they are very effective and enhance the Oriental and bizarre touts ensemble.

When a black velvet bolero is worn over a flesh colored chiffon waist the effect is just a trifle startling to say the least, and while it certainly shows good form it hardly is. However, all the combinations have not this sidishow effect and many charming contrasts and changes in your wardrobe may be sprung with the aid of a bolero and a net blouse or two.

The craze for sleeves of different material from the rest of the gown is gaining in popularity, and tight fitting sleeves of lace, net or chiffon as well as the long, loose baggy sleeves of the same materials are seen in many of the newest model gowns. Angel sleeves showing all the characteristics of foot sleeves are trying desperately to rush in where they are not wanted and although they have succeeded in attaching themselves to a few model evening gowns they have not been received with enough favor to warrant many of them.

Even as the spring is a silken season so the summer promises to be a lacey one. Most exquisite are the patterns evolved by the lace designers and the borders on the fine net foundations are in many instances worthy of a frame.

A decided novelty in the lace line is colored lace. That is, the net foundation is of a bright shade of blue, green, cerise or yellow with the elaborate worked-out border done in white threads on the colored background.

Boleros and monkey jackets of lace also are very pretty, especially in the heavier laces like macramé.

Licensed to Wed
A marriage license was issued in Los Angeles on Saturday to F. Emil Cito, 32, of Anaheim, and Anna Schuch, 24, of Los Angeles.

WAS READY TO USE KNIFE ON INGRAM

Anaheim Herald: Had it not been for M. S. Ingram this morning, R. B. Ingram might have been seriously injured by a knife in the hands of S. C. Johnston of Fullerton, who works in the oil fields. He was at the automobile show this morning at the Ford garage, and was putting the brake on the working model, which they have on exhibition and which is run by electricity.

R. B. Ingram at first told Johnston in a nice way not to do it, but when he kept it up, he was told in no uncertain words to get out. This angered Johnston and he wanted to raise a rough house right there. He was invited to go outside, however, by R. B. Ingram and he went toward the door. R. B. Ingram was leading and was followed by Johnston. As they got near the door, M. S. Ingram, who was following Johnston, saw him reach in his pocket and draw out a knife, which was about three or four inches long. No sooner had he drawn the knife than M. S. Ingram grabbed him by the neck from the rear and pinned him arms tight, and choked him into submission. He was not let loose until he was pretty badly used up, and he had no further use for his knife.

W. H. Chambers, the special officer who is on duty at the auto show, took him in charge and he was brought before Judge Howard this morning and given a sentence of thirty days in the county jail, the sentence being suspended providing he never appeared in Anaheim again. The officers were instructed to arrest him and he would be committed to the county jail if he was arrested in this city.

Johnston is said to be a regular "bad man." A short time ago he is alleged to have assaulted Wm. Wickersheim of Fullerton, and badly injured him.

TRACK TEAM IS IN TEN MINUTE CLOGGED NOSTRILS DEFEATED AT BEACH OPEN--COLDS AND CATARRH VANISH

Santa Ana Put Up Great Contest But Could Not Win Meet

The spirit of brotherly love was not very successfully fostered between the Santa Ana and Long Beach high schools at Saturday's track meet. The Long Beach football coach of-ficiated as starter and his abilities in that line may be judged by the fact that the hundred yard dash was started five different times and four times the sprinters were called back. When at last they were allowed to go the speedy little Wark of Long Beach grabbed first place in 10 seconds flat, Adkinson running second.

In the fifty the same game was

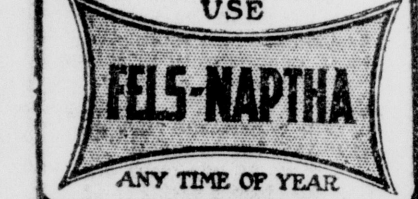

Washing Done Here
ANTY DRUDGE
Grocer's Boy — "She was forced to it, Anty Drudge. Mrs. Millionaire, her best customer, told her that if she didn't use Fels-Naptha Soap, she'd take her washing away. Was tired, she said, of having her clothes come back all yellow and some with streaks of dirt still in them."

No sensible woman wants to do more work than is necessary to accomplish the best results.

And yet—
There are women who take a full day to do the weekly wash when it can be done in half the time and far better and easier by using Fels-Naptha Soap in cool or luke-warm water.

Fels-Naptha way is easy and simple.

Full directions are on the red and green wrapper.

Stops Nasty Discharge, Clears Stuffed Head, Heals Inflamed Air Passages and You Breathe Freely.

Try "Ely's Cream Balm."
Get a small bottle anyway, just to try it. Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant

worked. All save Wark were set back a yard for jumping. The starter got the boys on their marks and then proceeded to give them instructions. Even with the one yard handicap Wark was unable to win this race and Adkinson beat him to the tape by two yards, running the fifty-one yards in 5.25 seconds. Charlie Fahey took third, beating out Morris of Long Beach.

Wark also took the 220-yard dash, being forced to his limit and it was announced that he had equalled the Southern California record in 23.25. Wark was carried from the track and was unable to compete in the relay.

Keach won the mile by a hundred yards and Bob Hill beat out the Long Beach men on the final sprints after hanging to their heels until two hundred yards from the finish. Keach also won the half-mile in the good time of 2 min. 6.25 sec.

Santa Ana also got third in this event. Long Beach took all three places in the shot put and Irvine got third in the discus.

Bill Graves got third in the high hurdles, running a hard race for second and being beaten on the last few hurdles. It was a good race and called for good time. In the low hurdles Ernest Plavan would have easily defeated Wilcox of Long Beach had he not lost his step by knocking four out of the ten hurdles. Because of this he was disqualified, even though he was but two strides behind the winner at the finish. Plavan surprised everyone with his speed and will undoubtedly give Watson and Murry of Orange the race of their lives in the County meet next Saturday. Paul Plavan took third in easy fashion.

At the start of the quarter Eddie Fahey was standing digging his holes when the starter pulled the trigger, but despite the big handicap he took after the bunch and put up a game finish. Bev Anderson ran the Long Beach men a hard race for the first three-quarters of a lap and forced them to the fast time of 53.25 sec. Wallace took third.

Paul Anderson took his usual five points in the high jump, clearing 5 ft. 8 in. with ease. Anderson seems to be out of his class in most of the meets in this part of the country. By the time he grows a little more he ought to develop into a pretty fair high jumper.

Plavan won the broad jump, going 20 ft. 8 in. against a strong wind. Herb Damron won second with a jump of 20 ft. 1 in. Keeny took second in the pole vault with a good 10 ft. 4 in. and Rowley was third. These fellows will be heard from next week in the big County Meet.

The relay proved to be the star event of the day. Long Beach led out with a fast man and ran up quite a little lead. Damron cut off several feet on the third lap and "Rooney" Wilcox, one time student at Santa Ana and now the Long Beach captain, was given a lead of twenty feet over Adkinson. This was decreased to a yard by the middle of the run-long and then as Adkinson was forced to run out into the second lane Wilcox gained slightly but the Santa boy pulled up and they came down the straightaway on even terms. As they crossed the line Adkinson threw himself forward and broke the tape. Everybody went wild, cries of "Tie! Tie!" came from the stands. Finally the judges got together and while one awarded the race to Santa Ana, the other two held out for a tie, so a tie it stood, although several of the members of the Long Beach team declared, after the tie was made official that Santa Ana crossed the line first. The final score stood 73½ to 49½. The summary:

50-yard dash—Adkinson (S.A.) first, Wark (L.B.) second, C. Fahey (S.A.) third. Time 5.25 sec.

Mile Run—Keach (S.A.) first, Hill (S.A.) second, Stimmel (L.B.) third. Time 4 min. 57.45 sec.

100 yard dash—Wark (L.B.) first, Adkinson (S.A.) second, Mosley (L.B.) third. Time 10 sec. flat.

220-yard dash—Wark (L.B.) first, Adkinson (S.A.) second, Mosley (L.B.) third. Time 22.35 sec.

440-yard run—Lupher (L.B.) first, Burkhardt (L.B.) second, Wallace (S.A.) third. Time 53.25 sec.

120-yard high hurdles—King (L.B.) first, Niece (L.B.) second, Graves (S.A.) third. Time, 17 sec. flat.

880-yard run—Keach (S.A.) first, Burkhardt (L.B.) second, Wallace (S.A.) third. Time, 6 min. 6.25 sec.

220-yard low hurdles—Wilcox (L.B.) first, King (L.B.) second, P. Plavan (S.A.) third. Time 27.15 sec.

Shot put—Hulbert (L.B.) first, Thompson (L.B.) second, Millard (L.B.) third. Distance 40 ft. 4 in.

Discus throw—Anderson (L.B.) first, Hulbert (L.B.) second, Irvine (S.A.) third. Distance 97 ft. 7 in.

Pole vault—A. Wilcox (L.B.) first, Keoney (S.A.) second, Rowley (S.A.) third. Height 10 ft. 5 in.

High jump—P. Anderson (S.A.) first, Millard (L.B.) and Wilcox (L.B.) tie for second. Height 5 ft. 8 in.

Broad jump—E. Plavan (S.A.) first, Damron (S.A.) second, Reider (L.B.) third. Distance 20 ft. 8 in.

Half mile relay—Dead heat, Santa Ana, B. Anderson, C. Fahey, Damron, Adkinson; Long Beach, Mosley, Reider, Lupher, P. Wilcox.

Best Family Laxative

Beware of cheap imitations. Use Dr. King's New Life Pills and keep well.

Mrs. Charles E. Smith, of West Frank-

lin, Mo., calls them "our family lax-

ative." Nothing better for adults or aged.

Get them today, 25c. All druggists or by mail, H. E. Bucklen & Co., Phila-

delphia or St. Louis.

balm dissolves by the heat of the nostrils; penetrates and heals the in-flamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

ANAHEIM COMMITTEE WILL MAKE A REPORT ON RIVER PROJECT

Hartranft Has Appointed Men to Take Up Protection Plans

ANAHEIM, March 9.—The committee appointed by S. C. Hartranft, who presided at the river protection mass meeting Friday night, follows: E. A. Day, chairman, W. M. Wellman and J. W. Duckworth of Anaheim; J. E. Stockwell, R. S. Gregory of Fullerton; J. F. Rose, A. Nelson and C. L. McComber of Buena Park; J. Allen Knapp and C. E. Holt of Garden Grove; H. C. Covell and A. S. Feagan of Cypress. The committee will investigate the formation of a protection district and interview property owners throughout this section of the county. They will also define the boundary lines of such a district should it be formed.

Deed in Question

Despite the fact that certain deeds to the right of way for the county highway, between this city and Buena Park, disappeared and when the commissioners came to ask for duplicates Mrs. Pauline Cole and Samuel Milner refused to grant the deeds a second time and plans for paving were delayed, it is rumored that construction work will begin at an early date.

The bonds for this paving have been voted upon and it required a strip of land one mile in length to straighten the road and a small portion of this is the cause of dispute. According to statements made by the supervisors this matter will be adjusted amicably and the highway will be built. The people of Buena Park have plans whereby this highway will be lighted its entire length and with this "brilliant" prospect in view it is very evident that all speed will be made toward its completion.

Orange Shipments

The Mutual Orange Growers' Association has again begun work. Four carloads of oranges were shipped out this week from this house. Next week there will be about twelve cars shipped. The work will be continuous at that packing house now for five or six weeks. The payroll will amount to between \$400 and \$450 a week, including the inside and outside force. This money will be mostly distributed among people who live in this city and spend their money here.

For the last month or so the packing house has been closed down while about \$1000 in improvements were being installed. These improvements included a washer and dryer. The total value of the equipment now in the house is close to \$6000.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur With it to Restore Color, Gloss, Thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.—Advertisement.

PACIFIC ELECTRIC RAILWAY

U.S. CHILD LABOR COMMITTEE TO MEET

Would Double Membership—
Seeks Methods of Enforcement of Child Labor Laws

NEW YORK, March 9.—Announcement was made here today by the National Child Labor Committee that all the details have been completed for the tenth annual national conference which will open at New Orleans on Sunday afternoon, March 15. Two score or more of the most prominent advocates of better child labor laws representing as many sections of the country have accepted invitations to attend. Many will address the conference during the sessions, which will continue through Wednesday, March 18.

The two important subjects which will come before this year's conference, it was stated today, will be enforcement of federal legislation with special reference to the Owen Palmer child labor bill now pending in Congress. "The backwardness of Southern states and the exemptions that weaken the laws of other states" also will be discussed in detail. In connection with today's announcement of the program, Owen R. Lovejoy, general secretary of the National Child Labor Committee, issued the following appeal for funds:

"To carry out the study of methods of administration of child labor laws we need a larger staff, for our work will be more comprehensive than it has been in the past. The legislative battle is far from won and unless our income is greatly increased we must face the serious question as to which line of effort is most urgently necessary for us to follow. We should like to celebrate our tenth anniversary with a doubling of our membership and a total income of \$100,000. Then it would be possible for us to continue our membership and present work for better child labor laws and to take up adequately the matter of enforcement of the child labor laws already enacted."

Kickapoo Worm Killer Expels Worms
The cause of your child's ill-health, the foul, offensive breath, the starting up with terror and grinding of teeth while asleep—The sallow complexion—The dark circles under the eyes—Are all indications of worms. Kickapoo Worm Killer is what your child needs; it expels the worms, the cause of the child's unhealthy condition. For the removal of sea, stomach and pin worms, Kickapoo Worm Killer gives sure relief. Its laxative effect acts gently on the general system. Supplied as a candy confection—children like it. Safe and sure relief. Guaranteed. Buy a box today. Price 25c. All drug stores or by mail. Kickapoo Indian Medicine Co., Philadelphia or St. Louis.—Advertisement.

Judge Grosscup Would
Limit Earnings of
Large Corporations

PARIS, March 9.—"I believe the best remedy for trusts is to limit the private profits of corporations," said Judge Grosscup of Chicago, when he was asked for his opinion on trusts in the United States. The judge is taking a vacation in Europe, where he has enjoyed himself greatly. "Surplus net earnings of these corporations ought to go to the people in the form of taxes."

"That plan could be enforced automatically. I believe it would tend to cheapen products as well as maintain wages at a just level. What is of great consequence, it would prevent the growth of corporate power to dangerous proportions."

ORANGE, March 9.—Last night on the county good roads a quarter of a mile south of Olive a Ford automobile driven by B. A. Casey turned over and Casey and L. Wade had a narrow escape from death. Casey lost control of the machine, and in an instant the accident had occurred. Both men were bruised and their faces were cut with glass from the windshield.

A GOOD BUY

We have just opened up our spring stock of Lawn Mowers. As last year our big leader will be a fourteen-inch ball-bearing, four-knife mower, self adjusting, which we shall sell at \$6.00. This is a splendid mower for nine out of ten lawns. For extra large lawns or heavy cutting we have mowers from \$7.50 to \$15.00.

See us for Grass Catchers, five styles, running in price from 50c to \$1.25, and Grass Shears at 50c.

WANT TO SET ASIDE A DEED

Alleged that Mrs. Sarah Lucas Signed Paper on Influence of Son

Suit was brought today by F. W. Winslow as guardian of Sarah Lucas, against Henry Lucas, for the purpose of setting aside a deed to property worth \$2000. It is alleged in the complaint that on Oct. 27, 1913, Mrs. Lucas deeded lot 10, block C, Porter, Spurgeon & Blee addition to Santa Ana, to her son, that the deed was made without consideration, that Mrs. Lucas was incompetent and under the influence of her son. H. C. Head is attorney for the plaintiff.

To Probate Will
This afternoon Attorney B. E. Tarver filed for probate the will of Will A. McCarter, who died recently. The will was written in Rocky Ford, Colo., on Feb. 3, 1912. The petitioner for letters is Nettie E. McCoy of Huntington Beach. The estate is valued at \$6000, consisting principally of ten acres of land at Wintersburg. He will leave the entire estate to children of the deceased.

Marriage License
Joe E. Felix, 27, and Herminia Granada, 28, both of Anaheim.

Bonds Recorded.
This morning three bonds were recorded. One is the \$10,000 bond given by J. M. Backs, appointed county recorder to take G. E. Peters' place when Peters leaves on April 6 to take a position in the Orange County Savings & Trust Company. The others, \$5000 each, are given by R. J. McFadden of Anaheim and S. H. Finley of Santa Ana, the new highway commissioners. The bonds are in the National Surety Company.

Courthouse Notes.
J. N. Anderson, L. W. Hemphill and A. R. Smith have been appointed to appraise the estate of John H. Adams.

Suit on a Note
Layne & Bowler Corporation today began suit against John A. Nelson for judgment on a note for \$2890.29. The note was given with a lease on pumping plant machinery delivered to Nelson. Attorney Heap of Los Angeles represents the plaintiff.

IN THE JUSTICE COURT

CONTRERAS IS HELD ON A FELONY CHARGE
This morning Justice Cox held Estevan Contreras of Delhi to answer in the superior court on a felony charge. Contreras eloped with Marie Estrada, aged 14. B. E. Tarver is attorney for Contreras. Deputy District Attorney Eden appeared for the state.

Paid \$10 Fine
This morning Ramon Burrue paid a fine of \$10 for disturbing the peace. He was arrested Saturday by City Marshal Jernigan.

AMUSEMENTS

Helen Keller
Helen Keller, who has all her life enjoyed being entertained by the greatest of our actors, will reverse the usual order of such events and become the entertainer on March 13, when she gives her lecture at the Grand Opera House. She likes things theatrical as much as most people—perhaps she brings to the theater a keener appreciation of what is being said and done upon the stage than the average theatergoer. From her first view of the theater stage, when she "saw" Elsie Leslie in "The Prince and the Pauper," up to her latest glimpse of "The Poor Little Rich Girl," Miss Keller has taken the liveliest interest in anybody and everybody of moment who really "does something" as she expresses it, from behind the footlights. Ellen Terry and Henry Irving, Joseph Jefferson and other great stage personages are among her dearest remembrances.

"I love to go to the theater," said Miss Keller. "I enjoy having a play described to me while it is being acted on the stage far more than reading it, because it seems as if I were really living in the midst of stirring events. I love to touch the faces and costumes of the great people of the stage and even try to indicate as far as I can the gestures and action that go with their lines. I never forget the ripples of alternate joy and woe that run through a beautiful play."

STATE WILL PAVE TO CITY LIMITS ON MAIN
On being interviewed today the foreman of the State Highway Commission's paving outfit on Main street, north of the city limits, said that the matter of the state paving the 230-foot strip adjoining the city limits had been settled. The state will pave the strip. There had been a rumor that the state expected the Pacific Electric would do the paving.

Spring House Cleaning Time Is Here

In most homes this means some new article of furniture will be needed, or perhaps some new Floor Coverings, Draperies or Curtain Nets.

We are pleased to announce that our stocks in all the above lines are most complete. No matter what you need in home furnishings, we can supply your wants. Here you will have the advantage of larger assortments to choose from. We show a wide range of qualities in all lines and can give you some exceptionally good values.

Furniture
50 styles of Brass Beds \$9.50 to \$40.00
100 styles of Dressers \$6.50 to \$45.00
50 styles of Iron Beds \$2.00 to \$12.00
25 styles of Dining Tables \$6.50 to \$45.00

New Spring Rugs
Our Rug Rack which holds 300 room size rugs is full and we have been obliged to allow dozens of new arrivals to remain on the floor for lack of room to put them on display rack. We show all the different grades of high grade rugs in a large variety of patterns.
Room size Brussels Rugs at \$7.50 up to \$35.00
Room size Wool Fibre Rugs at \$6.50 up to \$15.00
Room size Grass Rugs at \$3.25 up to \$9.50

Of course there are many places where furniture can be bought, but the larger assortment to be found here and the exceptional values we give, are matters that are worthy your careful consideration. We call particular attention to the fact that our service and workmanship will meet with your approval.

CELERY PROVES SUCCESSFUL AT OLIVE

Villa Park Vegetable Growers Satisfied With Their Experiment

ORANGE, March 9.—The first carload of celery ever shipped from Orange was sent out this morning by the Orange County Vegetable Association of Villa Park. The celery was grown on one acre of ground on the Church ranch at the corner of Glasse and 1st streets, as an experiment. The association hired a Japanese to take care of the crop, and are fully satisfied that celery is going to be a good crop in the Olive and Villa Park neighborhoods. Arrangements are being made to plant ten acres to the product next year.

The association officials assert that the price paid for this crop, \$2.80 a crate, is the best price paid for celery in this county this season. The celery is of an excellent grade.

D'ANNUNZIO BACK TO ITALY

PARIS, March 9.—Gabriel d'Annunzio, the Italian poet who announced some years ago that he had come to France to live and never expected to return to Italy, will go back to his native land this spring according to an announcement made today. He will spend some time in Florence. D'Annunzio's creditors are said to have influenced his stay abroad.
